**TASTING NOTES**

Pale yellow in color with brilliant reflections. On the nose, a true explosion of fruity aromas: sweet mango, canned peach, and ripe apricot, with a hint of orange blossom honey and the freshness of orange blossom. On the palate, a fresh and fruity entry that invites you to savor every sip.

**FOOD PAIRINGS**

Perfect to pair with sushi and ceviches, Provençal-style clams, or fresh salads with a citrusy twist of orange and grapefruit. For a bolder choice, try it with melon and ham or crispy fries with kimchi mayo. And for a sweet ending, nothing beats a classic apple Tatin or juicy caramelized pineapple. Let yourself be surprised!
